## What happens next?

Your application will be assessed by one of the SSE team.

If we think the programme could be right for you, we'll invite you to an informal interview sometime in September. This will be live via Zoom. If you require adjustments, just let us know.

We'll be keen to find out more about you and what you would do with the opportunity, and we can work out together to discover if this is right for you.

We hope to be able to send offers to successful applicants in October 2024 and the programme will start at the end of November.

Before you start, we will ask you to formally accept a place on the programme. (e.g. accepting terms and conditions of the offer, providing documentation, so that we can process your first grant payment.)

We will be in contact with you to discuss any access requirements you have.
